**BUILDING PERMIT**

PERMISSION is hereby granted, as provided in Chapter 11-4 of the Municipal Code of Chicago, to the Applicant to install, repair, modify, and/or operate the equipment, device, process or area described above at the address above in accordance with the plans and specifications on file at the Chicago Department of Public Health (CDPH). The Permittee shall comply with all applicable local, State, and Federal regulations and standards regarding the construction, operation, maintenance, and closure of the subject Facility. Any changes, modifications and/or additions to the equipment, area or the approved plans and documentation shall require a new air pollution control permit. This permit shall be posted in a conspicuous place at or near the permitted equipment, device or area as required by Section 11-4-620(b) of the Chicago Municipal Code.

In addition to this Permit, an annual Certificate of Operation is required in accordance with Section 11-4-660 of the Code.
